

WP6 Deliverable: PROFIC Toolkit

Here you can find the PROFIC Toolkit. The PROFIC Toolkit is a holistic and integrated set of tools and support documents for the intercultural competence professional development university staff (academic, administrative and support staff). The Toolkit is available as an open-education resource (OER) with a Creative Commons licence (Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International License), i.e. adaptable and shareable with acknowledge the original source. The Toolkit zip file included here is a SCORM package which is platform independent and can be uploaded to any SCORM compliant platform such as Moodle, Blackboard and similar. Feel free to integrate or adapt the whole Toolkit or relevant parts of it to your institutional SCORM compliant learning platform.

The PROFIC Toolkit exportable SCORM file includes a project overview, information about project phases, information about the Toolkit and how it can be used, materials for the workshop stage including the slides for the workshops, asynchronous activities, and facilitators guides for the community and action plans stages. We hope this Toolkit will be useful in your intercultural competence development activities.
